Payments for Payroll, Payroll Taxes, and Health Insurance on Schedule H4 are for employees who did not spend more than 25% of their time during the period on activity in connection with a federal election. The receipts on Line 17 are for voter file purchases. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. The exact price paid to the Committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased.
